EVERGREEN HOME LOANS RECORDS ALL-TIME RECORD MONTH FOR 2019

BELLEVUE, Wash. – August 1 – [Evergreen Home Loans](#), a full-service direct home loan lender offering origination, funding and home loan servicing with offices in six Western states, today announced that July 2019 was the largest month of loan production in company history, representing a 10% increase in production over the previous record month in August of 2017. Evergreen Home Loans has offices in six Western states, Arizona, California, Idaho, Nevada, Oregon and Washington. They are also licensed to originate loans in Alaska.

“I’m immensely proud of the growth we achieved in 2019,” said Don Burton, president of Evergreen Home Loans. “Our dedicated in-market loan officers remain focused on helping people achieve the dream of homeownership. We offer our customers a full-service experience that includes a balance of high-touch and high-tech advantages. This includes online applications, eClosings, and digital asset verification. Among our peer group, we’re among the highest users of an eClosing platform that allows our customers to eSign non-critical documents prior to the closing appointment. By offering our customers the best of both worlds, hands-on service and automation, we help them successfully navigate the home buying process.”

Evergreen Home Loans began with five employees in West Seattle in 1987. The company has grown to more than 700 associates since its founding. At the current pace, 2019 is on track to become the best year for loan production activity in the company’s history.
